

# ELECTRONIC MATCH CARD ADVANTAGES

## LEAGUE SECRETARY/COMPETITION ORGANISERS:

- Results uploaded instantly
- Overall timesaver – once setup, teams input scores and tables automatically updated and online straight away
- Statistics for the competition compiled by the system and available online
  - Even if only scores are inputted, this will generate team and competition level stats
- Paperless – all information online and accessible from any web browser
- GMS Help Portal and Help Desk to help with any issues, whether during competition setup or during the season
- Easier succession planning/handover to new organisers + RFU support system

## CLUBS:

- Can use to help track player usage (including total minutes played if Match Events are used)
- Clubs can use EMCs to track player statistics
  - Online on Fixtures & Results Section of EnglandRugby.com
  - Download reports from GMS that can then be manipulated as desired
- Match Events can be used to keep fans up to date on match day
- Suspected Concussion function allows for players to be sent advice on dealing with suspected concussion as well as updating club RugbySafe Lead
- Clubs can use statistics (both team and player) in their marketing
- Multiple Match Card Administrators can be given the role, spreading the workload
- Option to use desktop or mobile versions, save the mobile version to home screen of smartphone
